## COUNCIL HITS COUNTY HARD

Appropriates \$44,772 Today, \$15,000 of Which is For New Roof on Court House.

\$15,000 FOR NEW BRIDGE, TOO

Balance of Sum is Deficiency Appropriation, Excepting Norris Ford Bridge.

The county council in the two-day session ending today appropriated a total of \$44,772. The council was very liberal, giving the county commissioners practically everything that was asked. In the appropriations is an item of \$15,000 for a new roof at the court house.

The recent flood hit the county for \$15,000 for the Hancock-Rush county line bridge over Blue River. The cost will be divided between the two counties, but the initial cost will be paid by this county as the bonds will be sold here. A total of \$28,600 of the appropriations went towards bridge expense.

A few of the appropriations were for some deficiencies in several funds, but a majority were for future work. The commissioners at their next meeting, Monday, will more than likely advertise for bids for the new roof at the court house. The new roof is badly needed and by starting the preliminary work at this time the work can be done during the summer months. It is also expected that steps will soon be taken towards building the Blue river bridge now that the appropriation has been secured.

Another bridge that the council made an appropriation for is the Norris Ford bridge. This bridge is estimated to cost \$10,000 and this was the amount secured from the council. The appropriations follow:

Expense Clerk's office	\$ 190.00
Expense Auditor's office	130.00
Expense Treasurer's office	550.00
Expense Recorder's office	250.00
Expense Sheriff's office	2.00
Expense Truancy board	25.00
New roof Court House	15,000.00
Henry Beckner bridge	600.00
George Looney bridge	500.00
Rush-Henry county line bridge	1,000.00
Nipp's Mill bridge	1,500.00
Hancock-Rush county line bridge	15,000.00
Norris Ford bridge	10,000.00
Expense of Jurors	25.00

Eighteen hundred persons were aboard the cruiser, an official statement from the ministry of marine said.

—Mrs. H. McKee, Mr. and Mrs. J. F. McKee and Miss Carrie McKee of Orange were in the city yesterday the guests of relatives.

## SEVEN CANDIDATES TAKEN

Lunch and Speech Making Follows K. of P. Degree Work.

Seven candidates received the first degree amplified form at the county meeting of the Knights of Pythias Monday night. At the lunch following S. L. Trabue acted as toastmaster and Robert A. Brown, grand keeper of records and seals, made the chief address. Short talks were also made by the toastmaster, District Deputy Grand Chancellor Walter Peters of this city and Charles Wyker of Connersville, who formerly held the position Mr. Peters now holds. There were about 150 present.

## GATE COMPANY IS REBUILDING PLANT

New Frame Structure Similar to Old One Will be Erected on About Same Site.

DOING BUSINESS JUST SAME

Work has already started on the rebuilding of the National Gate company whose plant was destroyed by fire last Friday. The building will be similar to the one that burned and will be a frame structure. The building will not be erected on the exact site of the old structure, but will be built to the south and closer to Third street.

A concrete foundation is being put in now and the men back of the plant hope for it to be in operation again in at least a month. The foundation of the old building will be used for sheds that will be erected for storage purposes. When the new building is completed the company will have more room than formerly. William Wolung is the contractor. The company is going ahead with the business just as though nothing happened and orders are being taken as before the fire.

## JUDGMENT OF \$160 IS REDUCED TO \$148

Remittance of \$12 is Entered in Damage Suit Won by Louise Kenner Against American.

TWO OTHER JUDGMENTS GIVEN

A remittance of \$12 was entered in the damage suit of Miss Louise Kenner against James Naden and the Rushville American this morning in order to make the verdict of the jury stand. Judgment was then entered for \$148 and costs. The jury gave Miss Kenner \$160, but this was in excess of the amount specified in the court's instructions. It is understood that Naden will pay the judgment and that the case will end here.

Walter E. Smith was given judgment for \$83.84 against Wilbur D. Gordon by Judge Sparks. The defendant defaulted and the court found for the plaintiff. The suit was on a note and to foreclose a mortgage.

Emma C. Hasely was given a judgment for \$90 against Clyde Thomas. The suit was on an account, the plaintiff alleging that Thomas owed her rent for ten months at the rate of \$9 a month.

## WATSON SPEAKS IN WAYNE COUNTY

Will Close Two Days' Campaign There With Address at Richmond K. of P. Hall Tonight.

LARGE CROWDS GREET HIM

Expects to Carry County and Will Get More Than His Share of Former Progressive Votes.

James E. Watson will close a two-day campaign in Wayne county tonight with a speech in the K. of P. hall in Richmond, at eight o'clock. Mr. Watson campaigned in Wayne county all day yesterday, speaking in several small towns, and at each place he was greeted by good-sized crowds.

This will be a busy week for Mr. Watson. Following the two days of strenuous campaigning in Wayne county, he will return to Indianapolis and spend Wednesday in Marion county. It is expected that he will make two or three speeches at small towns in Marion county.

Thursday Mr. Watson will be in Johnson county, speaking at Edinburg at night. Friday he will spend in Carroll county. On Saturday afternoon he will be in Alexandria and on Saturday evening a meeting is being arranged for him at Anderson.

Mr. Watson spoke at Centerville and Greensfork Monday morning, Williamsburg and Economy Monday afternoon and Hagerstown and Cambridge City Monday night.

In his speeches at Centerville and Greensfork Watson expressed the opinion that his candidacy would be well received in Wayne county. He said he had in former years received liberal support from Wayne county Republicans and that he hoped to again. He said there were no reasons why his candidacy should not be supported in Wayne county as he stood for the same principles that he did in former years. He also announced that he would receive "more than his share" of the Progressive vote and he named some former active Progressives who were now supporting his candidacy.

He did refer to the sentiment that was evident in Wayne county in the beginning of the campaign in opposition to him, but he said that he has over-ridden this sentiment and that he does not find it so strong. He said that he was confident that he would carry Wayne county and would win the nomination.

At Greensfork he spoke to about 50 persons and at Economy he had 250 persons. At Economy he was given an ovation. At Centerville he spoke to more than 100. At Williamsburg he spoke to about 80. In all of these places he talked of the Chicago convention of 1912 and asserted that the Progressives had in this campaign come to understand thoroughly his position in that convention.

Watson said that he was well qualified for the office he aspires to and declared his nomination at the primary was assured. He briefly discussed the tariff question and national defense.

Mrs. May Brooks of north of Glenwood was in the city today "handing lemons" to several of her friends. She said the lemons had been grown on a small tree which she has in her house in a tub. They are unusually large, the two perimeters measuring ten and twelve inches.

—Otto Bussard of this city attended the auto show in Indianapolis today.

## VOTERS SHOULD EXERCISE RIGHT

Second Choice Power Ought to be Used When More Than Two Candidates Want Nomination.

MIGHT MEAN NO MAJORITY

In Case it is Not Expressed, Possibly Might Arise Making Nomination Impossible.

Seldom a day passes that some new perplexity does not arise concerning the new state-wide primary law which will be applied in nominating political tickets for the first time two weeks from next Tuesday. The Connersville News says it learns that a number of voters, being puzzled by the provision for a vote for first choice and for the second choice in any list of candidates for the same nomination, have resolved, and have suggested to certain friends, to leave off the second choice vote entirely and to vote merely for the candidate they want.

While it appears that the second choice vote is not compelled by law—that is, that a ballot which expresses a first choice but no second choice is perfectly good so far as it goes—yet those who do not avail themselves of the second choice privilege are depriving themselves of a right which ought to be exercised.

Let it be supposed, for example, that three candidates are running for the same office. If only first choice votes were cast, and if each of the candidates received a thousand votes apiece, none of the three would have a majority. Where three or more than three candidates are running for the same post it is not only possible but highly probable that, without the second choice provision, none of the three would receive a majority of the votes necessary to make his nomination sure.

By the arrangement of dropping the first choice votes for the low candidate and adding the second choice votes into the remainder, where the voter intended them to go, the thing can be reduced, under the new law, either to a tie vote or to a majority for some candidate. In brief, when the second choice vote is expressed, it is as certain that someone will be nominated as it is in cases where only two candidates are running.

Where only two candidates are running, needless to say, the second choice becomes a dead force, since it could have no effect on the final count.

## TWO VILLAGES ARE TAKEN

London, Feb. 29.—Suddenly shifting their attack the Germans have launched a heavy drive on Verdun from the eastward, aiming to squeeze the French out of Verdun by a threat of envelopment.

The German war office this afternoon announced the capture of the villages of Manheulles and Champ-lon, eleven miles southeast of Verdun, and the advance of the whole German front, northeast, east and southeast of Verdun, and the capture of about 17,000 French prisoners.

## INSPECTORS GET SUPPLIES SATURDAY

County Chairman Riggs Also Calls Meeting of Precinct Committee-men Same Day at 1:30 p. m.

HEADQUARTERS ARE OPEN

The statewide primary law says that inspectors shall get their supplies for the primary the Saturday before the election. This was called attention to today by Fon Riggs, Republican county chairman and means that the inspectors will have to come to Rushville next Saturday to comply with the law because the primary is next Tuesday, March 7. Mr. Riggs also announced that the precinct committeemen would meet next Saturday afternoon at 1:30 o'clock at headquarters and urged all of them to see that the inspector from their precinct came in for his supplies on Saturday.

Republican headquarters have been open all this week and will continue to be open up to the day of the primary, each day from 9:30 a. m. to 9:30 p. m. There will be someone at headquarters during the day to explain any misunderstanding about the law.

The Republicans of the first ward and those desiring to affiliate with them will meet tonight at 7:30 o'clock at the Republican club rooms. This is the first of a series of ward meetings. The main topic for discussion will be the primary. Meetings will be held every night from now until the primary. Similar meetings are being planned for the out town ships and the Republican organization promises to be busy until after next Tuesday.

## DESIRE TO GET A SCHOLARSHIP HERE

Tri Kappas Would Like to Have Award of Committee Come to this City or County..

IS GOOD FOR ONE YEAR AT I. U.

The Tri Kappa sorority each year awards a scholarship to Indiana university to a girl. The Rushville chapter is anxious for the scholarship to go to some Rushville or Rush county girl and for that reason urges that any girl who would like to try for it send her name to Miss Clorenne Amos, Rushville, R. R. 1.

The record of any applicant from the city or county will be investigated by the scholarship committee of Rushville chapter. The grades will be obtained and sent to the scholarship committee and the scholarship will be awarded to the girl in the state making the best showing.

The awarding of the scholarship has been the practice of the sorority for some time. Many girls have received the benefit of a college education through the aid of the sorority.

## ANOTHER REBUKE FOR BERNSTORFF

Secretary Lansing Speaks Plainly of German Ambassador's Improper Publicity Methods.

GIVES LIE TO MORNING STORY

Says His Department Has Not Expresed Any Views of Latest Memorandum From Berlin.

(By United Press.)

Washington, Feb. 29.—Secretary Lansing today administered another direct rebuke to Ambassador Bernstorff for what he regards as the improper publicity methods of the ambassador.

He issued a formal statement announcing that reports of the contents of the German memorandum laid before him yesterday by Bernstorff had not been made public by himself or his department and further declared no statement had been made expressing his department's views regarding the memorandum. Morning newspapers printed what purported to be a paraphrase of the memorandum.

Lansing's statement follows:

"In view of the publication this morning of what purports to be the view of the state department on the communication received yesterday from the German ambassador, I wish to say that the contents of the communication have not been made public by me and any statement as to the views of the state department on the communication absolutely are unauthorized. I have made no comment and expressed no opinion in regard to the matter."

The secretary was obviously out of patience with certain lengthy statements credited to the state department, which tended to indicate that the negotiations with Germany had reached a most satisfactory point.

The secretary remained with the president until the cabinet meeting until eleven o'clock.

## PLANT MAKING GAS BOMBS BLOWN UP

Although 100 Men Were Working in Building, All Escape Because Warning Rumble.

LOSS WILL EXCEED \$50,000

(By United Press.)

Woburn, Mass., Feb. 29.—With a thunderous explosion which was heard for fifty miles, a building of the New England Manufacturing company, where gases used in bombs for the allied army are manufactured, blew up early today.

Although one hundred men were working in the building, a warning rumble gave them time to escape and only one, who was showered with flying brick, was injured. The terrific force of the explosion blew the building high into the air and made the ground tremble as in an earthquake for miles around. The loss will exceed \$50,000.

For three weeks the building has been heavily guarded because of threatening letters received by the company.

—Mr. and Mrs. Michael McNulty of Indianapolis are here to attend the funeral of Mrs. Catherine Barrett.

## MORE RHEUMATISM THAN EVER BEFORE

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken.

Our old friend Rheumatiz is having his inning this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica and you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless, yet powerful; cheap, yet sure, and a 50-cent bottle will last a long time. Ask Johnson's Drug Store or any other Druggist.

### HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

## DECLARES MALOJA WAS TORPEDOED

Chief Officer Forbes Says Peninsular and Oriental Liner Was Not Victim of Mine.

### MORE THAN 250 LIVES LOST

(By United Press.)  
Dover, Eng., Feb. 29.—That the liner Maloja, sank off Dover with a loss of more than 250 lives, was torpedoed and did not strike a mine was the sensational testimony offered at the coroner's inquest today by Chief Officer Forbes.  
Forbes' statement was not corroborated by any of the other witnesses at today's session. It was the first hint from any source that the big Peninsular and Oriental liner was not the victim of a mine, as had been reported.  
After Forbes testified the inquest was adjourned until tomorrow, pending an inquiry into this new phase of the Maloja's sinking.

The Maloja was sunk two miles off Dover Sunday and another steamer, rushing to her aid, also was sent to the bottom. It is probable the vessel hit a mine secreted off Dover either by a German submarine or a German commerce raider.

## SPORTS AND TRAVEL IN CENTRAL AFRICA.

The public schools are beginning a series of educational films for school use. Many of the films will be given to the children free of charge, but the film to be shown tomorrow night is one that costs a considerable sum to secure. The film will make an entertainment sure to please everyone. It shows native life and customs in Africa. Leopards, monkeys, lions and other wild creatures peculiar to the region, unknowingly posed before the camera men. An elephant hunt, a giraffe hunt, and a hippopotami hunt all carried out successfully are some of the remarkable features.

The entertainment will be given at the Graham Annex auditorium tomorrow evening at 7:30 o'clock. The doors will be open at 7:10 and the show will begin promptly at 7:30. One show only, but it will last about one hour and a half. Admission 5 cents.

### MORE ABOUT THAT FLIGHT.

Palm Beach Post: A. B. Irvin, a prominent banker of Rushville, Ind., who is spending the winter in the city, took a flight with Aviator Kendrick yesterday afternoon. Despite the high wind the flight was very successful, and "gentleman from Indiana" states that the incomparable climate of Palm Beach extends at least two thousand feet into the air.

### TODAY'S HOOSIER ODDITY

(By United Press.)  
Evansville, Feb. 29.—What chance has the \$7,000 got? Eleven Evansville attorneys are mixed up in the case of William Koremir against William Kleinknecht and others among whom are the Deaconess hospital and St. James Church. Koremir is seeking to break the will of Mary Bickling which disposes of \$7,000. Ten of the attorneys represent the defendants.

## WAR TALKS CAUSES NEW RIFLE CLUBS

Sport Has Recently Become Popular And Spring Tournament is Under Way

### SCHOOLS TAKE AN INTEREST

(By United Press.)  
Boston, Feb. 29.—The Spring tournament of the Massachusetts Association of National Rifle Association begins here today with special matches at the Bay State School of Musketry's new ranges. The matches will continue for seven or eight weeks, and with the increasing number of clubs joining the Association, promises to produce some hard fought contests. Massachusetts has had a revival of rifle clubs this year because of the preparedness spirit which has swept the state. Hundreds of new clubs have been formed and plenty of trophies have been offered for the marksmen.

Special interest is shown in the individual matches held at the new ranges on Gainsborough street Boston, and a table of figures kept by Major Portal who has been, one of the leading factors in the newly popular sport, shows that the standard of efficiency has been greatly increased. The department stores of Boston have taken up the rifle club idea and nearly all have teams made up from among their employees. Colleges and schools around the city also are showing increasing interest in Rifle teams, and many have applied for membership in the N. A. R.

## RACE PROBLEM INVOLVED

Election Battle Results Over Segregation Bill

(By United Press.)  
St. Louis, Feb. 29.—After a stiff legal fight against the holding of an election on the subject, St. Louis voters today are deciding by ballot whether negroes here shall be compelled to live within residential districts selected for them. The Segregation Bill, as the plan is called, would prevent whites and negroes from living in the same blocks and would compel white persons to move from their homes in blocks in which the majority of the residents are negroes. Negroes would be prohibited from living in blocks in which the majority of the residents are white. Should segregation win, negroes and white interests opposed to the proposed law, will attack it as unconstitutional, they said today, on the ground that it is discriminatory.

### HATCHES OWN MOSQUITOES.

(By United Press.)  
Dallas, Tex., Feb. 28.—The municipal ownership idea has struck Dallas with a vengeance. This city now hatches its own mosquitoes. The hatchery was established in connection with a campaign against the anopheles, or malaria-bearing mosquito. He can't be recognized in his youth, so the health authorities are gathering mosquito larvae, regardless of pedigree, and dumping them into the hatchery to grow up.

## Our Automatic Dry Rooms

To dry your clothes we hang them upon an endless moving belt which carries them into the steam heated drying cabinet; and after so many times across, it brings them out and automatically drops them, dry and clean, into the basket placed to receive them.

Our dry room is heated by steam pipes and the hot air is kept in constant motion by fans, the damp air being forced out, and pure, clean air admitted continually.

This method of drying insures the freedom of your clothes from dust and dirt of the street, from smoke and grime, etc.—and makes them as sweet and fresh as if dried out of doors.

We keep our dry rooms, as well as our entire plant, clean and sanitary by a thorough cleaning daily.

#### Most Absurd Yet.

An Indianapolis dispatch to the Chicago Tribune says that some Democratic machine men in Indiana got together recently and evolved a plan to give James E. Watson, Republican candidate for the senatorial nomination, ten Democratic votes in each precinct at the primary, which would mean 35,000 votes, enough at any rate to swing the nomination for him easily. When one stops to think of the absurdity of such a thing, they are apt to laugh. No one has yet conceived a plan for Democrats to help nominate a Republican ticket or vice versa, because of the stringent rules of the primary law in that regard. Just how this ten-votes-to-a-precinct plan is to be accomplished is not explained. It is but another example of the extreme lengths to which the enemies of Watson will go to make possible his defeat at the primary. It would be human nature, in case of nomination or defeat, to wait around the corner with a stuffed club for those kind of fellows, but Mr. Watson has announced that he will take off his coat and work for the nominee, whoever he may be.

### HUNDRED LEADING HOOSIERS

1801-1877

Of Robert Dale Owen, son of Robert Owen, it has been said, "In scholarship, general attainments varied achievements, as author, statesman, politician and leader of a new religious faith, he was unquestionably the most prominent man Indiana ever owned." Born in Scotland, he grew up in the midst of a society noted for wealth, culture and intellect. After studying for three years in Switzerland, he came to America to assist his father in the management of New Harmony a settlement on the Wabash river. Young Owen quickly entered into the active life of the new settlement. The nation-wide fame enjoyed by the frontier settlement for morality and intellect caused many famous writers, scientists and philosophers to settle therein. Their leader and central figure was Robert Dale Owen. He soon entered politics, and was elected to the legislature in 1836. To him credit is due for the act which set aside for education two-thirds of the general revenue given to Indiana by the Federal government.

#### ARE MEDICINES LIQUOR?

A certain class of prejudiced and jealous doctors call patent medicines only alcoholic beverages. They will tell you that such and such a medicine contains as much alcohol as a glass of beer or a certain quantity of whiskey; but they do not mention that the beer or whiskey is swallowed at one draught, while only a small quantity of the medicine is taken at one dose. At the same time they will use alcohol quite as freely and many in four or five times as great proportions in their own prescriptions.

Such standard remedies as Lydia E. Pinkham's Vegetable Compound use barely enough alcohol to preserve the root and herb extracts, too little to have injurious effects; and the medicine can be had, if desired, in a non-alcoholic form. (Advertisement.)

We are authorized to announce the name of Charles C. Brown as a candidate for Sheriff on the Democratic ticket, subject to the decision of the primary election, March 7, 1916.

I will be a candidate for the Democratic nomination for Congress before the Primary, March 7th, and as the duties of my office and attention to important measures before Congress will prevent my returning to my District, I take this means to ask the voters for their support.

## STOTSENBURG GIVES OPINION

### Declares Wrong Impression Has

Gone Out Regarding Qualifications of Voters at Primary

### COURT UPHELD SECTION 10

Voters in One Party Cannot Challenge Voter in Another—

#### Points Out Law

(By United Press.)

Indianapolis, Feb. 29.—There has been considerable recent discussion in the state as to the effect of the opinion of the supreme court in the primary election cases on the rights of a voter who proposes in the coming primary to vote a ticket different from the one he voted at the last election. A representative of the United Press today inquired of Attorney General Stotsenburg to get his views of the effect of the decision.

Mr. Stotsenburg said that the supreme court upheld Section 10, which gave qualifications for voters, and added that following the primary a defeated candidate could contest the nomination of his successful opponent on the ground that his nomination was effected by illegal votes—that is, by the votes of electors not entitled to vote in the primary of the party to which the candidates belong.

"An entirely wrong impression has gone out as to the effect of the decision of the supreme court in the Kelso and Mote primary election cases," said Mr. Stotsenburg. "From articles appearing in the daily papers it would appear that the general impression is that the supreme court held that Section 10 of the primary law, which fixed the qualifications of voters entitled to participate in the primary, to be invalid. The court made no such holding, but on the contrary, the court upheld the whole of Section 10."

"Section 10 provides that no person should be permitted to vote in a primary of any one of the political parties coming under the law unless he possesses these qualifications:

"First: He must be an elector of the precinct, unless he is a first voter and then he must be such elector at the election for which the primary is being held.

"Second: He must be a member of the political party in whose primary he proposes to participate, the fact of which membership is to be determined by whether at the previous election he supported and voted for a majority of the candidates of such party.

"Third: It must be his intention to support the nominees of such party at the coming election.

"What the court holds is that a democrat will not be permitted to challenge an elector offering to vote in the republican or in the progressive primary. Neither will a progressive be permitted to challenge the vote of an elector offering to vote in the democratic or in the republican primary; nor will a republican be permitted to challenge the vote of an elector offering to vote in the democratic or progressive primary."

The fact that a voter not entitled in a primary with which he did not affiliate at the last election is not challenged, does not make his act any less illegal, and such illegal votes if plentiful enough may be made the basis of a successful contest on the part of the unsuccessful candidate for the nomination, said the attorney general.

## Most Absurd Yet.

An Indianapolis dispatch to the Chicago Tribune says that some Democratic machine men in Indiana got together recently and evolved a plan to give James E. Watson, Republican candidate for the senatorial nomination, ten Democratic votes in each precinct at the primary, which would mean 35,000 votes, enough at any rate to swing the nomination for him easily. When one stops to think of the absurdity of such a thing, they are apt to laugh. No one has yet conceived a plan for Democrats to help nominate a Republican ticket or vice versa, because of the stringent rules of the primary law in that regard. Just how this ten-votes-to-a-precinct plan is to be accomplished is not explained. It is but another example of the extreme lengths to which the enemies of Watson will go to make possible his defeat at the primary. It would be human nature, in case of nomination or defeat, to wait around the corner with a stuffed club for those kind of fellows, but Mr. Watson has announced that he will take off his coat and work for the nominee, whoever he may be.

Of Robert Dale Owen, son of Robert Owen, it has been said, "In scholarship, general attainments varied achievements, as author, statesman, politician and leader of a new religious faith, he was unquestionably the most prominent man Indiana ever owned." Born in Scotland, he grew up in the midst of a society noted for wealth, culture and intellect. After studying for three years in Switzerland, he came to America to assist his father in the management of New Harmony a settlement on the Wabash river. Young Owen quickly entered into the active life of the new settlement. The nation-wide fame enjoyed by the frontier settlement for morality and intellect caused many famous writers, scientists and philosophers to settle therein. Their leader and central figure was Robert Dale Owen. He soon entered politics, and was elected to the legislature in 1836. To him credit is due for the act which set aside for education two-thirds of the general revenue given to Indiana by the Federal government.

## ARE MEDICINES LIQUOR?

A certain class of prejudiced and jealous doctors call patent medicines only alcoholic beverages. They will tell you that such and such a medicine contains as much alcohol as a glass of beer or a certain quantity of whiskey; but they do not mention that the beer or whiskey is swallowed at one draught, while only a small quantity of the medicine is taken at one dose. At the same time they will use alcohol quite as freely and many in four or five times as great proportions in their own prescriptions.

Such standard remedies as Lydia E. Pinkham's Vegetable Compound use barely enough alcohol to preserve the root and herb extracts, too little to have injurious effects; and the medicine can be had, if desired, in a non-alcoholic form.

I will be a candidate for the Democratic nomination for Congress before the Primary, March 7th, and as the duties of my office and attention to important measures before Congress will prevent my returning to my District, I take this means to ask the voters for their support.

STOTSENBURG  
GIVES OPINION

## Declares Wrong Impression Has

Gone Out Regarding Qualifications of Voters at Primary

## COURT UPHELD SECTION 10

Voters in One Party Cannot Challenge Voter in Another—

Points Out Law

(By United Press.)

Indianapolis, Feb. 29.—There has been considerable recent discussion in the state as to the effect of the opinion of the supreme court in the primary election cases on the rights of a voter who proposes in the coming primary to vote a ticket different from the one he voted at the last election. A representative of the United Press today inquired of Attorney General Stotsenburg to get his views of the effect of the decision.

Mr. Stotsenburg said that the supreme court upheld Section 10, which gave qualifications for voters, and added that following the primary a defeated candidate could contest the nomination of his successful opponent on the ground that his nomination was effected by illegal votes—that is, by the votes of electors not entitled to vote in the primary of the party to which the candidates belong.

"An entirely wrong impression has gone out as to the effect of the decision of the supreme court in the Kelso and Mote primary election cases," said Mr. Stotsenburg. "From articles appearing in the daily papers it would appear that the general impression is that the supreme court held that Section 10 of the primary law, which fixed the qualifications of voters, entitled to participate in the primary, to be invalid. The court made no such holding, but on the contrary, the court upheld the whole of Section 10.

"Section 10 provides that no person should be permitted to vote in a primary of any one of the political parties coming under the law unless he possesses these qualifications:

"First: He must be an elector of the precinct, unless he is a first voter and then he must be such elector at the election for which the primary is being held.

"Second: He must be a member of the political party in whose primary he proposes to participate, the fact of which membership is to be determined by whether at the previous election he supported and voted for a majority of the candidates of such party.

"Third: It must be his intention to support the nominees of such party at the coming election.

"What the court holds is that a democrat will not be permitted to challenge an elector offering to vote in the republican or in the progressive primary. Neither will a progressive be permitted to challenge the vote of an elector offering to vote in the democratic or in the republican primary; nor will a republican be permitted to challenge the vote of an elector offering to vote in the democratic or progressive primary."

The fact that a voter not entitled in a primary with which he did not affiliate at the last election is not challenged, does not make his act any less illegal, and such illegal votes, if plentiful enough may be made the basis of a successful contest on the part of the unsuccessful candidate for the nomination, said the attorney general.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for literature.

Republican Candidate from Orange Township for Commissioner Southern District of Rush County, Primary  
March 7, 1916

As it is impossible for me to see everyone personally I take this method of introducing myself to the voters of Rush County, Indiana. I am a farmer, always a staunch and loyal Republican; forty-five years of age, married and with a family. I was trustee for Orange Township for six years, and was elected in 1908. I WAS THE FIRST REPUBLICAN TRUSTEE OF ORANGE TOWNSHIP IN TWENTY YEARS PREVIOUS TO THAT TIME. Said township now has a Democratic Trustee. Have served as administrator for various estates in Rush County. I was Secretary and Treasurer of the Building Committee of the Moscow Christian Church built in 1910, was secretary and treasurer of the Moscow Gas Company for 12 years, and if nominated and elected will give Rush County an economical business administration. I am in favor of good roads and lower taxes.

the duty of a good citizen. If you belong to the Republican party or desire to affiliate or reaffiliate with it, you should participate in the primary Tuesday, March 7, and help nominate the ticket.

If you conscientiously take part and make choice among the candidates, it is your privilege to discuss the results. If you stay at home and sulk, you have no right to criticize. Get out and vote and help get out the vote. It is the duty of every man who expects to vote the Republican ticket at the next election Tuesday, November 7, 1916, to help nominate the Republican ticket at the primary. Young men not yet 21 years old, but who will have reached that age by November 7th, may vote at the primary.

## We Need a Strong Campaigner

The test of a candidate is, can he get the votes? In 1914 Hugh Th. Miller, candidate for United States Senator, received 14,795 votes in the District. Lynch received 14,880 votes. **LYNCH RECEIVED MORE VOTES THAN THE HEAD OF THE TICKET.**

In 1912 Gray's plurality in the District was 8,745; in 1914, Gray's plurality was only 3,491. **LYNCH REDUCED GRAY'S PLURALITY 5,254.**

What a man can do in the future is to be judged by what he has done in the past. If Lynch gets these results with a divided party he can redeem the Old Burnt District with a united party.

**GIVE HIM ANOTHER CHANCE AND SEE**

Republican success demands a hard, vigorous speaking campaign. The candidate must be a man in the vigor of middle-aged manhood. If Lynch is nominated there will be no watchful waiting in this campaign.

## POLITICS HAS THE "DRY ROT"

W. O. Lynch of Indiana University Says Citizens Are Too Thoughtless Regarding Votes

**FESTERING SORES BREAK OUT**

No Moving Force That Arouses to Healthful And Vigorous Activity, he Declares

(By United Press.)

Indianapolis, Ind., Feb. 29.—Indiana politics is suffering from "dry rot," according to W. O. Lynch, professor of history at the Indiana State Normal School at Terre Haute.

Lynch came out with that statement today in an article printed by the Citizen, an organ devoted to propaganda for a new state constitution.

After referring to the "grosser side of political corruption" such as vote buying, grafting, lining up with vice interests, etc., Lynch declared:

"Now there is a species of decay more difficult to recognize which may best be described as dry rot—"

"So it is with the great community of Indiana, the festering sores that break out and show on the surface are widely recognized and the warfare against them is incessant, while the disease that is silently sapping away the vital strength of the state has revealed itself to but a thoughtful few."

Lynch then adds that "somehow there has come to be no moving force among us arousing to vigorous and healthful political activity."

"The mass of Indiana's population," he says, "has lost the faculty of self government to the degree that government often is left in the hands of stupid and selfish leaders."

The article says that most of the churchmen will support a Billy Sunday revival and possibly will contribute to the anti-saloon league, but that they "usually display neither knowledge nor interest" when it comes to supporting a movement for a new constitution or for constructive legislation.

In Indianapolis, Woolen and Rev. Francis H. Gavis, will seize every opportunity to talk to the several thousand Indianapolis teachers. Judge James A. Collins, who introduced the probation system in the Indianapolis police court, will talk the conference to the Indianapolis Bar association. Dr. J. N. Hart, secretary of the State Board of Health, will address the members of the Indianapolis Medical society, and Demarehus C. Brown, state librarian, will get the conference before the ministerial associations, and through the pastors, before the church congregations of the city.

Dinner-dance, at the Social Club.

C. W. B. M., in parlors of the Christian church with ladies of March division entertaining.

Pythian Sisters, in the K. of P. Hall, in the evening.

### DINNER PARTY.

Mr. and Mrs. Link Guffin are entertaining the former and present employees of the store this evening with an elaborate six o'clock dinner and Rook party. About twelve guests in all are expected.

The Ladies Aid society of the St. Mary's Catholic church will be entertained on Thursday afternoon at the home of Mrs. Anthony H. Schriebe in West Third street. Mrs. Schriebe will be assisted by Mrs. Charles Moorman.

Due to illness in the family, the regular meeting of the C. W. B. M. will be held in the parlors of the Christian church tomorrow afternoon, instead of at the home of Mrs. Warder Wyatt, as the program reads.

### U. P. AID SOCIETY.

The spacious home of Mrs. Geo. Puntenney and Mrs. Harry Kramer was the scene for a pleasant gathering this afternoon when they entertained the members of the Ladies Aid Society of the United Presbyterian church. A large per cent of the attendance was present and took part in the short business session which preceded a social hour, during which time the ladies sewed and were served with a tempting repast.

### LOTUS CLUB.

An interesting evening was enjoyed by the members of the Lotus Club when they were entertained Monday evening by Mr. and Mrs. Frank Wilson at their beautiful home in North Main street, which radiated with its usual hospitality. The evening was pleasantly spent over the card tables while light refreshments were served as the evening neared the close. Mrs. Carpenter, of St. Louis, was among the agreeable company of players.

### CARD CLUB.

With Miss Bertha Helm as hostess, the members of the Tuesday Afternoon Bridge Club spent another merry afternoon when they were entertained in the lovely Helm home in West Third street. Eight congenial players form the club and each of the semi-monthly meetings seem more pleasant than the last. Such was the case today as they spent a happy afternoon together. After a series of card games, an elaborate luncheon, as delicious as it was dainty was served at the card tables.

### ROOK PARTY.

"Rook" furnished another gay afternoon for a pleasant group of Milroy ladies when at the home of Mrs. Wiley McKee, Mrs. McKee, Mrs. William Bosley and Mrs. J. L. Carson entertained today. The twenty genial players chatted merrily as they enjoyed the fascinating rounds. Cards, however, were forgotten when the delicious refreshments were served.

Nine tables of players are entertained this evening when the same hostesses entertained again. With the proverbial hospitality of these ladies, a good time is insured.

### R. M. C. CLUB.

Pink and white was the dainty selection carried out this afternoon in the parlors when the R. M. C. Emmentary Club was entertained at the home of Miss Vera Stone, who proved to be a most pleasing hostess. Crane paper of these colors was twined about the rooms and flowers too emphasized the airy design.

Contests amused the guests, which numbered twelve or more, while they were not busy with their crocheting. Commandments were to be guessed from bare suggestions of them and to the most skilful contestant, a pretty award was given. In the predominating color scheme, the mints and ices were carried out.

### PRAYER MEETINGS.

The cottage prayer meetings of the St. Paul's M. E. church were well attended last evening, there being a total in attendance of forty-five. The meetings to be held this evening are as follows: at the home of John Jordan, 916 North Main street, with J. F. Gillespie as leader; at the home of Abner Aldridge at 215 North Perkins street, with Mrs. M. Whitsitt as leader; at the home of Mrs. Laura Gordon, 413 North Morgan street, with A. T. Mahin as leader; at the home of Dr. F. G. Hackleman, with James Lock as leader.

### DINNER PARTY.

Mr. and Mrs. Alva Webb and daughter, Miss Hattie Emmons entertained an amiable company of their friends at dinner Sunday. The guests who were invited in to enjoy this sumptuous repast and partake of the hospitality of the host and hostesses were Mr. and Mrs. Paul Garner, of Richmond, Mr. and Mrs. Ernest Pattison and Lawrence Krammes of Milroy. Several others joined the party in the evening when they were pleasantly entertained. They included the Misses Grace Kiplinger, Georgia Rawlings, Gladys Warner and Virgil Maffett and Howard Warner.

### WOMEN'S RIGHTS.

"Women's Rights" was the subject of the program carried out at the regular meeting of the Coterie Club when the members were pleasantly entertained by Mrs. Jabez Wanship at her home in North Morgan street yesterday afternoon. Following an inspiring paper, read by the hostess on this subject, an original poem, also by the hostess, was read by Mrs. Raymond Hargrove. It was exceedingly clever and caused a great deal of amusement. Practically the entire membership was present to enjoy the program and the interesting and informal chat which followed during the serving of the dainty luncheon, which showed remarkable pains taken by the hostess.

### SURPRISE PARTY.

Sunday being the thirty-eighth birthday of Mrs. Arnold Orme of West Fifth street, a merry crowd of her friends surprised her last evening when they arrived to help her celebrate the occasion. With well-filled baskets, a supper was spread out which kept up the reputation for the feasts that this crowd has already been famed for. With a bright potted plant, which was the gift of the guests to the hostess, the center of the table was decorated. Progressive euchre, pedro, and music furnished by the guests enlivened the pleasant evening hours for the guests, who included Mr. and Mrs. Andrew Moore, Mr. and Mrs. Jacob Weber, Mr. and Mrs. Will Jones, Mr. and Mrs. Percy Wright, Mr. and Mrs. Noley Newhouse, Mrs. Roscoe Brooks and Lon Newhouse.

### AMERICAN COMPOSERS.

Each of the numbers given at the Ladies Musicales yesterday at the home of Miss Helen Black was by an American composer, which was indeed an appropriate one for the month in which patriotism is so apparent. With Miss Marie Clawson as leader, the following program was carried out:

Piano duet—"The Last Hope,"—Mrs. Aldridge and Mrs. Bebout.  
Violin solo, "Elegy," by Miss Leona Thomas.  
Piano solo—"Awake"—Miss Helen Black.  
Quartette, "Tenting tonight," by Mrs. Frank Wolcott, Mrs. Frank Forry, Miss Leonora Norris and Mrs. Joe Clark.  
Paper—"Musical education in our Schools"—Mrs. Lon Kennedy.  
Piano solo—"Goodnight,"—Miss Charlotte Tribby.  
Vocal Solo—"Memory"—Miss Edith Buell.  
Piano solo—"Drifting"—Mrs. Ed-

ward Kellam.  
Violin solo—"Cantilena"—Miss Leona Thomas.  
Piano solo—"Prelude"—Mrs. Veri Bebout.

All of the numbers were exceptionally good and showed excellent preparation. A short business session followed in which the usual business matters were discussed.

Mr. and Mrs. W. A. Mull of near Gowdy left yesterday for New Orleans where they will visit relatives and attend the Mardi Gras.

### SOCIAL.

Extensive plans are being completed by the Lurline Council for the social to be given in the Red Men Hall on Thursday evening of this week. A beautiful pillow is to be given away and refreshments are to be sold. A souvenir cake, in which favors will be found is also to be sold, and several other novel forms of entertainment have been planned by the hostesses.

### KNIGHTS TEMPLAR MEETING.

Ruhville Commandery, No. 49, K. T. will hold their regular stated conclave Wednesday evening, beginning at 7:30 followed by work in the Temple degree.

## DOCTOR SAVES A BLACKSMITH

Some time ago I was taken with Kidney trouble which caused me to give up my work as blacksmith. I lost my appetite and could not sleep, from the dreadful pains that would come over me from my kidneys. I was treated by a physician for about three months. He could not help me so finally he prescribed Dr. Kilmer's Swamp-Root. I started taking same and before I had finished taking the first bottle I began to eat and sleep better than I had a long time. I continued to take same until I was entirely cured and took on considerable weight.

I am now back working at my trade again and never felt better in my life. I appreciate what Swamp-Root has done for me and will recommend it to anyone who suffers with their kidneys. When physicians fail to give relief and then prescribe Swamp-Root, they sure know of its merits. I am,

## Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast fast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere. An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening, and freshening the entire alimentary canal before putting more food into the stomach. Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

### True Secret of Keeping Youthful Looking

(The Beauty Seeker.)  
"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face."  
"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of mercurial origin. There is no habit-forming constituent in 'Santanel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Santanel tablets, which may be procured from any druggist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

### The Constipation Curse

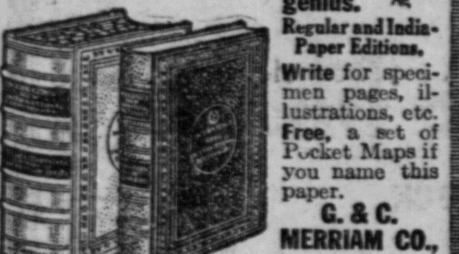

Constipation - clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities. Santanel Laxative brings quick relief. All vegetable—contain no calomel. Ten doses for a dime at any druggist. Physician's sample free, upon request, if you mention this advertisement. The Santanel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

### Thin Girls, Cut This Out

Some unfortunate men and women are prone to wonder why some of their friends are blessed with an abundance of color—pink cheeks and red lips—while theirs are always colorless. The reason for this last named condition is—there is not enough red blood corpuscle in the blood—under a microscope the blood is thin and watery. The flesh is flabby, too. Well-known physicians assert that the regular administration for several months, of 5 grain toneline tablets will greatly improve the color, add to the weight, make the cheeks pink and the lips red and in general be very beneficial. For self administration obtain from any druggist. For sale by Hargrove and Mullin. (Advertisement)

## PROHIBITORS TO MEET HERE TOMORROW

Will Name County Ticket And Select Delegates to State Convention—Old Method Followed

### "CLARIONS" TO BE PRESENT

County Chairman J. Levi Lord Expects All Parts of County to be Represented

Rush County Prohibitionists will gather in the assembly room of the Court House tomorrow for their annual county convention, which promises to be one of the liveliest gatherings in recent years. A special attraction will be "The Clarions," a noted team of singers and speakers who have been heard with delight in many parts of Indiana, as well as in several other states of the Union.

At the convention on Wednesday nominations for county and legislative offices will be made, delegates will be elected to the state prohibition convention to be held in Indianapolis June 6 and 7, and the 1916 campaign will be formally launched. The prohibition party is exempted from the requirements of the Primary law, and all its candidates this year will be nominated as heretofore, in delegate convention.

The convention sessions will open at 10 a. m. and continue during the day, with an afternoon session beginning at 1:30. County Chairman J. Levi Lord of Mays will preside, and other prominent prohibitionists, including William Booth of Rushville, T. J. Pierce of Carthage and J. A. Eaton of Arlington, will be present to take part in the deliberations. It is expected that all parts of the county will be represented.

The Clarions, who will furnish the entertaining features of the convention, consist of Prof. F. W. Lough, a talented singer, pianist and speaker of wide reputation and former chairman of the state Prohibition Committee, and John W. Huddleston, a jolly giant basso, who is six feet, four and a half inches in height, wears number 13 shoes and a number 20 collar, weighs 315 pounds and has a voice in proportion to his dimensions. The Clarions' program is said to be highly entertaining and instructive. They have been heard in some of the largest auditoriums in the United States, and have recently been enthusiastically received in Columbus, Franklin, Indianapolis, Frankfort, Florida and other places where they have appeared.

The convention will be open to the public, and all who are interested in the destruction of the liquor traffic and the maintenance of righteous government are invited to attend. Wednesday evening The Clarions will be in Arlington, where they will present one of their popular programs at a public rally and mass meeting to be held at 7:30 in the school auditorium.

## ANOTHER CLAIM AGAINST ESTATE

James V. Wells, Orphan Reared by Mrs. Nancy Miller, Says \$600 is Due Him for Labor.

### HER WILL DECLARED VOID

Another suit involving the estate of the late Nancy Miller is promised over the filing of a claim by James V. Wells against Leonidas Mull, administrator of the estate. The will of Mrs. Miller was recently declared void by a jury in the Shelby circuit court. In his claim Wells asked for \$600 for services alleged to have been performed at the request of the late Mrs. Miller.

The claimant alleges that when a child of seven years he was an inmate of the Children's Home in Cincinnati and in 1888 Stewart Miller, husband of Mrs. Miller, took him from the Home in Cincinnati to their home in Walker township. Wells claims that he worked for the Millers up until the time of Mr. Miller's death in 1902 and after this he worked for Mrs. Miller with the understanding that she would pay him. He claims the will made no provision for him and puts in his claim for labor at the rate of \$1 a day, deducting board and other things the Millers gave him.

## HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

## HARTFORD CITY MAN ESCAPES THE KNIFE

Charles Inman Able to Go to Work After Operation Was Avoided.

Charles Inman, 424 East Chestnut street, Hartford City, Ind., was desperately ill with stomach trouble. He was advised to go to Fort Wayne for an operation.

Then he took Mayr's Wonderful Remedy and in a short time was able to go back to work. In a letter he said:

"My disease started seven years ago. I had to give up and go to bed. Four doctors said they could not cure me unless I went to Fort Wayne to be operated on, and that it would cost \$150 or \$200. My daughter saw your advertisement and I took your treatment. In three weeks I went to work and haven't missed but one-half day since from sickness. It surely saved my life."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. their marriage, which took place in Indianapolis. The Rev. Mr. Tinsley was the officiating minister. Mrs. Green testified yesterday that as soon as they left the minister's home after the ceremony, her husband accused her of flirting with the Rev. Mr. Tinsley.

Under the terms of the compromise Mrs. Green will receive property valued at \$18,000. She alleges that she had a good farm when she married Dr. Green, but that he persuaded her to make trades until the land was finally owned jointly. Mrs. Green's main contention was that her husband was jealous and wrongfully accused her.

## COUNCIL HITS COUNTY HARD

Appropriates \$44,772 Today. \$15,000 of Which is For New Roof on Court House.

\$15,000 FOR NEW BRIDGE, TOO

Balance of Sum is Deficiency Appropriation, Excepting Norris Ford Bridge.

The county council in the two-day session ending today appropriated a total of \$44,772. The council was very liberal, giving the county commissioners practically everything that was asked. In the appropriations is an item of \$15,000 for a new roof at the court house.

The recent flood hit the county for \$15,000 for the Hancock-Rush county line bridge over Blue River. The cost will be divided between the two counties, but the initial cost will be paid by this county as the bonds will be sold here. A total of \$28,600 of the appropriations went towards bridge expense.

A few of the appropriations were for some deficiencies in several funds, but a majority were for future work. The commissioners at their next meeting, Monday, will more than likely advertise for bids for the new roof at the court house. The new roof is badly needed and by starting the preliminary work at this time the work can be done during the summer months. It is also expected that steps will soon be taken towards building the Blue river bridge now that the appropriation has been secured.

Another bridge that the council made an appropriation for is the Norris Ford bridge. This bridge is estimated to cost \$10,000 and this was the amount secured from the council. The appropriations follow:

Expense Clerk's office...	\$ 100.00
Expense Auditor's office...	130.00
Expense Treasurer's office...	550.00
Expense Recorder's office...	250.00
Expense Sheriff's office...	2.00
Expense Trenching board...	25.00
New roof Court House...	15,000.00
Henry Beckner bridge...	600.00
George Looney bridge...	500.00
Rush-Henry county line bridge...	1,000.00
Nipp's Mill bridge...	1,500.00

Eighteen hundred persons were aboard the cruiser, an official statement from the ministry of marine said.

—Mrs. H. McKee, Mr. and Mrs. J. F. McKee and Miss Carrie McKee of Orange were in the city yesterday the guests of relatives.

## SEVEN CANDIDATES TAKEN

Lunch and Speech Making Follows K. of P. Degree Work.

Seven candidates received the first degree amplified form at the county meeting of the Knights of Pythias Monday night. At the lunch following S. L. Trabue acted as toastmaster and Robert A. Brown, grand keeper of records and seals, made the chief address. Short talks were also made by the toastmaster, District Deputy Grand Chancellor Walter Peters of this city and Charles Wyker of Connersville, who formerly held the position Mr. Peters now holds. There were about 150 present.

## GATE COMPANY IS REBUILDING PLANT

New Frame Structure Similar to Old One Will be Erected on About Same Site.

DOING BUSINESS JUST SAME

Work has already started on the rebuilding of the National Gate company whose plant was destroyed by fire last Friday. The building will be similar to the one that burned and will be a frame structure. The building will not be erected on the exact site of the old structure, but will be built to the south and closer to Third street.

A concrete foundation is being put in now and the men back of the plant hope for it to be in operation again in at least a month. The foundation of the old building will be used for sheds that will be erected for storage purposes. When the new building is completed the company will have more room than formerly. William Wolung is the contractor. The company is going ahead with the business just as though nothing happened and orders are being taken as before the fire.

## JUDGMENT OF \$160 IS REDUCED TO \$148

Remittance of \$12 is Entered in Damage Suit Won by Louise Kenner Against American.

TWO OTHER JUDGMENTS GIVEN

A remittance of \$12 was entered in the damage suit of Miss Louise Kenner against James Naden and the Rushville American this morning in order to make the verdict of the jury stand. Judgment was then entered for \$148 and costs. The jury gave Miss Kenner \$160, but this was in excess of the amount specified in the court's instructions. It is understood that Naden will pay the judgment and that the case will end here.

Walter E. Smith was given judgment for \$93.84 against Wilbur D. Gordon by Judge Sparks. The defendant defaulted and the court found for the plaintiff. The suit was on a note and to foreclose a mortgage.

Emma C. Hasely was given a judgment for \$90 against Clyde Thomas. The suit was on an account, the plaintiff alleging that Thomas owed her rent for ten months at the rate of \$9 a month.

## WATSON SPEAKS IN WAYNE COUNTY

Will Close Two Days' Campaign There With Address at Richmond K. of P. Hall Tonight.

LARGE CROWDS GREET HIM

Expects to Carry County and Will Get More Than His Share of Former Progressive Votes.

James E. Watson will close a two-day campaign in Wayne county tonight with a speech in the K. of P. hall in Richmond, at eight o'clock. Mr. Watson campaigned in Wayne county all day yesterday, speaking in several small towns, and at each place he was greeted by good-sized crowds.

This will be a busy week for Mr. Watson. Following the two days of strenuous campaigning in Wayne county, he will return to Indianapolis and spend Wednesday in Marion county. It is expected that he will make two or three speeches at small towns in Marion county.

Thursday Mr. Watson will be in Johnson county, speaking at Edinburg at night. Friday he will spend in Carroll county. On Saturday afternoon he will be in Alexandria and on Saturday evening a meeting is being arranged for him at Anderson.

Mr. Watson spoke at Centerville and Greensfork Monday morning, Williamsburg and Economy Monday afternoon and Hagerstown and Cambridge City Monday night.

In his speeches at Centerville and Greensfork Watson expressed the opinion that his candidacy would be well received in Wayne county. He said he had in former years received liberal support from Wayne county Republicans and that he hoped to again. He said there were no reasons why his candidacy should not be supported in Wayne county as he stood for the same principles that he did in former years. He also announced that he would receive "more than his share" of the Progressive vote and he named some former active Progressives who were now supporting his candidacy.

He did refer to the sentiment that was evident in Wayne county in the beginning of the campaign in opposition to him, but he said that he has over-ridden this sentiment and that he does not find it so strong. He said that he was confident that he would carry Wayne county and would win the nomination.

At Greensfork he spoke to about 50 persons and at Economy he had 250 persons. At Centerville he spoke to more than 100. At Williamsburg he spoke to about 80. In all of these places he talked of the Chicago convention of 1912 and asserted that the Progressives had in this campaign come to understand thoroughly his position in that convention.

Watson said that he was well qualified for the office he aspires to and declared his nomination at the primary was assured. He briefly discussed the tariff question and national defense.

Mrs. May Brooks of north of Glenwood was in the city today "handing lemons" to several of her friends. She said the lemons had been grown on a small tree which she has in her house in a tub. They are unusually large, the two perimeters measuring ten and twelve inches.

—Otto Bussard of this city attended the auto show in Indianapolis today.

## VOTERS SHOULD EXERCISE RIGHT

Second Choice Power Ought to be Used When More Than Two Candidates Want Nomination.

MIGHT MEAN NO MAJORITY

In Case it is Not Expressed, Possibly Might Arise Making Nomination Impossible.

Seldom a day passes that some new perplexity does not arise concerning the new state-wide primary law which will be applied in nominating political tickets for the first time two weeks from next Tuesday. The Connersville News says it learns that a number of voters, being puzzled by the provision for a vote for first choice and for the second choice in any list of candidates for the same nomination, have received, and have suggested to certain friends, to leave off the second choice vote entirely and to vote merely for the candidate they want.

While it appears that the second choice vote is not compelled by law—that is, that a ballot which expresses a first choice but no second choice is perfectly good so far as it goes—yet those who do not avail themselves of the second choice privilege are depriving themselves of a right which ought to be exercised.

Let it be supposed, for example, that three candidates are running for the same office. If only first choice votes were cast, and if each of the candidates received a thousand votes apiece, none of the three would have a majority. Where three or more than three candidates are running for the same post it is not only possible but highly probable that, without the second choice provision, none of the three would receive a majority of the votes necessary to make his nomination sure.

By the arrangement of dropping the first choice votes for the low candidate and adding the second choice votes into the remainder, where the voter intended them to go, the thing can be reduced, under the new law, either to a tie vote or to a majority for some candidate. In brief, when the second choice vote is expressed, it is as certain that someone will be nominated as it is in cases where only two candidates are running.

Where only two candidates are running, needless to say, the second choice becomes a dead force, since it could have no effect on the final count.

## INSPECTORS GET SUPPLIES SATURDAY

County Chairman Riggs Also Calls Meeting of Precinct Committee-men Same Day at 1:30 p. m.

HEADQUARTERS ARE OPEN

The statewide primary law says that inspectors shall get their supplies for the primary the Saturday before the election. This was called attention to today by Fon Riggs, Republican county chairman and means that the inspectors will have to come to Rushville next Saturday to comply with the law because the primary is next Tuesday, March 7. Mr. Riggs also announced that the precinct committeemen would meet next Saturday afternoon at 1:30 o'clock at headquarters and urged all of them to see that the inspector from their precinct came in for his supplies on Saturday.

Republican headquarters have been open all this week and will continue to be open up to the day of the primary, each day from 9:30 a. m. to 9:30 p. m. There will be someone at headquarters during the day to explain any misunderstanding about the law.

The Republicans of the first ward and those desiring to affiliate with them will meet tonight at 7:30 o'clock at the Republican club rooms. This is the first of a series of ward meetings. The main topic for discussion will be the primary. Meetings will be held every night from now until the primary. Similar meetings are being planned for the out townships and the Republican organization promises to be busy until after next Tuesday.

## DESIRE TO GET A SCHOLARSHIP HERE

Tri Kappas Would Like to Have Award of Committee Come to this City or County..

IS GOOD FOR ONE YEAR AT I. U.

The Tri Kappa sorority each year awards a scholarship to Indiana university to a girl. The Rushville chapter is anxious for the scholarship to go to some Rushville or Rush county girl and for that reason urges that any girl who would like to try for it send her name to Miss Clorenne Amos, Rushville, R. R. 1.

The record of any applicant from the city or county will be investigated by the scholarship committee of Rushville chapter. The grades will be obtained and sent to the scholarship committee and the scholarship will be awarded to the girl in the state making the best showing.

The awarding of the scholarship has been the practice of the sorority for some time. Many girls have received the benefit of a college education through the aid of the sorority.

## ANOTHER REBUKE FOR BERNSTORFF

Secretary Lansing Speaks Plainly of German Ambassador's Improper Publicity Methods.

GIVES LIE TO MORNING STORY

Says His Department Has Not Expresed Any Views of Latest Memorandum From Berlin.

(By United Press.)  
Washington, Feb. 29.—Secretary Lansing today administered another direct rebuke to Ambassador Bernstorff for what he regards as the improper publicity methods of the ambassador.

He issued a formal statement announcing that reports of the contents of the German memorandum laid before him yesterday by Bernstorff had not been made public by himself or his department and further declared no statement had been made expressing his department's views regarding the memorandum. Morning newspapers printed what purported to be a paraphrase of the memorandum.

Lansing's statement follows: "In view of the publication this morning of what purports to be the view of the state department on the communication received yesterday from the German ambassador, I wish to say that the contents of the communication have not been made public by me and any statement as to the views of the state department on the communication absolutely are unauthorized. I have made no comment and expressed no opinion in regard to the matter."

The secretary was obviously out of patience with certain lengthy statements credited to the state department, which tended to indicate that the negotiations with Germany had reached a most satisfactory point.

The secretary remained with the president until the cabinet meeting until eleven o'clock.

## PLANT MAKING GAS BOMBS BLOWN UP

Although 100 Men Were Working in Building, All Escape Because Warning Rumble.

LOSS WILL EXCEED \$50,000

(By United Press.)  
Woburn, Mass., Feb. 29.—With a thunderous explosion which was heard for fifty miles, a building of the New England Manufacturing company, where gases used in bombs for the allied army are manufactured, blew up early today.

Although one hundred men were working in the building, a warning rumble gave them time to escape and only one, who was showered with flying brick, was injured. The terrific force of the explosion blew the building high into the air and made the ground tremble as in an earthquake for miles around. The loss will exceed \$50,000.

For three weeks the building has been heavily guarded because of threatening letters received by the company.

—Mr. and Mrs. Michael McNulty of Indianapolis are here to attend the funeral of Mrs. Catherine Barrett.

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken.

Our old friend Rheumatism is having his inning this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather; keep your feet dry; drink plenty of lemonade, and avoid strong alcoholic drinks.

If rheumatism gets you, or sciatica or you have sharp twinges, gnawing pain or swollen joints or muscles, you can get rid of all agony in just a few days by taking one-half teaspoonful of Rheuma once a day.

All druggists know about Rheuma; it's harmless, yet powerful; cheap, yet sure, and a 50-cent bottle will last a long time. Ask Johnson's Drug Store or any other Druggist.

## EGG AND POULTRY CONVENTION OPENS

Indiana Association Will Hear Addresses on Several Important Topics Today

### BANQUET WEDNESDAY NIGHT

The speakers tomorrow will be W. F. Bennett, Chicago business manager of the National Poultry Butter and Egg association, on "The Railroad Situation," and O. C. "Ashes of Inspiration" is the title of the first picture at the Mystic tonight. It is a two reel Biograph drama entitled "The Onrang Orang." George Larkin and Edith Johnson are featured. ### HOT TEA BREAKS A COLD—TRY THIS

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a table-spoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

## DECLARES MALOJA WAS TORPEDOED

Chief Officer Forbes Says Peninsular and Oriental Liner Was Not Victim of Mine.

### MORE THAN 250 LIVES LOST

(By United Press.)

Dover, Eng., Feb. 29.—That the liner Maloja, sunk off Dover with a loss of more than 250 lives, was torpedoed and did not strike a mine was the sensational testimony offered at the coroner's inquest today by Chief Officer Forbes.

Forbes' statement was not corroborated by any of the other witnesses at today's session. It was the first hint from any source that the big Peninsular and Oriental liner was not the victim of a mine, as had been reported.

After Forbes testified the inquest was adjourned until tomorrow, pending an inquiry into this new phase of the Maloja's sinking.

The Maloja was sunk two miles off Dover Sunday and another steamer, rushing to her aid, also was sent to the bottom. It is probable the vessel hit a mine secreted off Dover either by a German submarine or a German commerce raider.

### SPORTS AND TRAVEL IN CENTRAL AFRICA.

The public schools are beginning a series of educational films for school use. Many of the films will be given to the children free of charge, but the film to be shown tomorrow night is one that costs a considerable sum to secure. The film will make an entertainment sure to please everyone. It shows native life and customs in Africa. Leopards, monkeys, lions and other wild creatures peculiar to the region, unknowingly posed before the camera men. An elephant hunt, a giraffe hunt, and a hippopotami hunt all carried out successfully are some of the remarkable features.

The entertainment will be given at the Graham Annex auditorium tomorrow evening at 7:30 o'clock. The doors will be open at 7:10 and the show will begin promptly at 7:30. One show only, but it will last about one hour and a half. Admission 5 cents.

### MORE ABOUT THAT FLIGHT.

Palm Beach Post: A. B. Irvin, a prominent banker of Rushville, Ind., who is spending the winter in the city, took a flight with Aviator Kendrick yesterday afternoon. Despite the high wind the flight was very successful, and "gentleman from Indiana" states that the incomparable climate of Palm Beach extends at least two thousand feet into the air.

Koremir is seeking to break the will of Mary Bieking which disposes of \$7,000. Ten of the attorneys represent the defendants.

## WAR TALKS CAUSES NEW RIFLE CLUBS

Sport Has Recently Become Popular And Spring Tournament is Under Way

### SCHOOLS TAKE AN INTEREST

(By United Press.)

Boston, Feb. 29.—The Spring tournament of the Massachusetts Association of National Rifle Association begins here today with special matches at the Bay State School of Musketry's new ranges. The matches will continue for seven or eight weeks, and with the increasing number of clubs joining the Association, promises to produce some hard fought contests. Massachusetts has had a revival of rifle clubs this year because of the preparedness spirit which has swept the state. Hundreds of new clubs have been formed and plenty of trophies have been offered for the marksmen.

Special interest is shown in the individual matches held at the new ranges on Gainsborough street Boston, and a table of figures kept by Major Portal who has been, one of the leading factors in the newly popular sport, shows that the standard of efficiency has been greatly increased. The department stores of Boston have taken up the rifle club idea and nearly all have teams made up from among their employees. Colleges and schools around the city also are showing increasing interest in rifle teams, and many have applied for membership in the N. A. R.

## RACE PROBLEM INVOLVED

Election Battle Results Over Segregation Bill

(By United Press.)

St. Louis, Feb. 29.—After a stiff legal fight against the holding of an election on the subject, St. Louis voters today are deciding by ballot whether negroes here shall be compelled to live within residential districts selected for them. The Segregation Bill, as the plan is called, would prevent whites and negroes from living in the same blocks and would compel white persons to move from their homes in blocks in which the majority of the residents are negroes. Negroes would be prohibited from living in blocks in which the majority of the residents are white. Should segregation win, negroes and white interests opposed to the proposed law, will attack it as unconstitutional, they said today, on the ground that it is discriminatory.

### WAR NEWS OF ONE YEAR AGO TODAY

England was expected hourly to declare the commercial blockade, as retaliation for Germany's submarine war campaign. England also was ready to restrict liquor sales. As a result of the allied bombardment of the Dardanelles, the Constantinople government was reported ready to flee to Asia Minor.

## Our Automatic Dry Rooms

To dry your clothes we hang them upon an endless moving belt which carries them into the steam heated drying cabinet; and after so many times across, it brings them out and automatically drops them, dry and clean, into the basket placed to receive them.

Our dry room is heated by steam pipes and the hot air is kept in constant motion by fans, the damp air being forced out, and pure, clean air admitted continually.

This method of drying insures the freedom of your clothes from dust and dirt of the street, from smoke and grime, etc.—and makes them as sweet and fresh as if dried out of doors.

We keep our dry rooms, as well as our entire plant, clean and sanitary by a thorough cleaning daily.

## Most Absurd Yet.

An Indianapolis dispatch to the Chicago Tribune says that some Democratic machine men in Indiana got together recently and evolved a plan to give James E. Watson, Republican candidate for the senatorial nomination, ten Democratic votes in each precinct at the primary, which would mean 35,000 votes, enough at any rate to swing the nomination for him easily. When one stops to think of the absurdity of such a thing, they are apt to laugh. No one has yet conceived a plan for Democrats to help nominate a Republican ticket or vice versa, because of the stringent rules of the primary law in that regard. Just how this ten-votes-to-a-precinct plan is to be accomplished is not explained. It is but another example of the extreme lengths to which the enemies of Watson will go to make possible his defeat at the primary. It would be human nature, in case of nomination or defeat, to wait around the corner with a stuffed club for those kind of fellows, but Mr. Watson has announced that he will take off his coat and work for the nominee, whoever he may be.

Of Robert Dale Owen, son of Robert Owen, it has been said, "In scholarship, general attainments, varied achievements, as author, statesman, politician and leader of a new religious faith, he was unquestionably the most prominent man Indiana ever owned." Born in Scotland, he grew up in the midst of a society noted for wealth, culture and intellect. After studying for three years in Switzerland, he came to America to assist his father in the management of New Harmony, a settlement on the Wabash river. Young Owen quickly entered into the active life of the new settlement. The nation-wide fame enjoyed by the frontier settlement for morality and intellect caused many famous writers, scientists and philosophers to settle therein. Their leader and central figure was Robert Dale Owen. He soon entered politics, and was elected to the legislature in 1836. To him credit is due for the act which set aside for education two-thirds of the general revenue given to Indiana by the Federal government.

## ARE MEDICINES LIQUOR?

A certain class of prejudiced and jealous doctors call patent medicines only alcoholic beverages. They will tell you that such and such a medicine contains as much alcohol as a glass of beer or a certain quantity of whiskey; but they do not mention that the beer or whiskey is swallowed at one draught, while only a small quantity of the medicine is taken at one dose. At the same time they will use alcohol quite as freely and many in four or five times as great proportions in their own prescriptions.

Such standard remedies as Lydia E. Pinkham's Vegetable Compound use barely enough alcohol to preserve the root and herb extracts; too little to have injurious effects; and the medicine can be had, if desired, in a non-alcoholic form.

I will be a candidate for the Democratic nomination for Congress before the Primary, March 7th, and as the duties of my office and attention to important measures before Congress will prevent my returning to my District, I take this means to ask the voters for their support.

STOTSENBURG  
GIVES OPINION

Declares Wrong Impression Has  
Gone Out Regarding Qualifica-  
tions of Voters at Primary

## COURT UPHELD SECTION 10

Voters in One Party Cannot Chal-  
lenge Voter in Another—  
Points Out Law

(By United Press.)

Indianapolis, Feb. 29.—There has been considerable recent discussion in the state as to the effect of the opinion of the supreme court in the primary election cases on the rights of a voter who proposes in the coming primary to vote a ticket different from the one he voted at the last election. A representative of the United Press today inquired of Attorney General Stotsenburg to get his views of the effect of the decision.

Mr. Stotsenburg said that the supreme court upheld Section 10, which gave qualifications for voters, and added that following the primary a defeated candidate could contest the nomination of his successful opponent on the ground that his nomination was effected by illegal votes—that is, by the votes of electors not entitled to vote in the primary of the party to which the candidates belong.

"An entirely wrong impression has gone out as to the effect of the decision of the supreme court in the Kelso and Mote primary election cases," said Mr. Stotsenburg. "From articles appearing in the daily papers it would appear that the general impression is that the supreme court held that Section 10 of the primary law, which fixed the qualifications of voters entitled to participate in the primary, to be invalid. The court made no such holding, but on the contrary, the court upheld the whole of Section 10.

"Section 10 provides that no person should be permitted to vote in a primary of any one of the political parties coming under the law unless he possesses these qualifications:

"First: He must be an elector of the precinct, unless he is a first voter and then he must be such elector at the election for which the primary is being held.

"Second: He must be a member of the political party in whose primary he proposes to participate, the fact of which membership is to be determined by whether at the previous election he supported and voted for a majority of the candidates of such party.

"Third: It must be his intention to support the nominees of such party at the coming election.

"What the court holds is that a democrat will not be permitted to challenge an elector offering to vote in the republican or in the progressive primary. Neither will a progressive be permitted to challenge the vote of an elector offering to vote in the democratic or in the republican primary; nor will a republican be permitted to challenge the vote of an elector offering to vote in the democratic or progressive primary."

The fact that a voter not entitled in a primary with which he did not affiliate at the last election is not challenged, does not make his act any less illegal, and such illegal votes if plentiful enough may be made the basis of a successful contest on the part of the unsuccessful candidate for the nomination, said the attorney general.

# The Right to Vote Implies the Duty to Vote--

the duty of a good citizen. If you belong to the Republican party or desire to affiliate or reaffiliate with it, you should participate in the primary Tuesday, March 7, and help nominate the ticket.

If you conscientiously take part and make choice among the candidates, it is your privilege to discuss the results. If you stay at home and sulk, you have no right to criticize. Get out and vote and help get out the vote. It is the duty of every man who expects to vote the Republican ticket at the next election Tuesday, November 7, 1916, to help nominate the Republican ticket at the primary. Young men not yet 21 years old, but who will have reached that age by November 7th, may vote at the primary.

## We Need a Strong Campaigner

The test of a candidate is, can he get the votes? In 1914 Hugh Th. Miller, candidate for United States Senator, received 14,795 votes in the District. LYNCH received 14,880 votes. LYNCH RECEIVED MORE VOTES THAN THE HEAD OF THE TICKET.

In 1912 Gray's plurality in the District was 8,745; in 1914, Gray's plurality was only 3,491. LYNCH REDUCED GRAY'S PLURALITY 5,254.

What a man can do in the future is to be judged by what he has done in the past. If Lynch gets these results with a divided party he can redeem the Old Burnt District with a united party.

GIVE HIM ANOTHER CHANCE AND SEE

Republican success demands a hard, vigorous speaking campaign. The candidate must be a man in the vigor of middle-aged manhood. If Lynch is nominated there will be no watchful waiting in this campaign.

## POLITICS HAS THE "DRY ROT"

W. O. Lynch of Indiana University Says Citizens Are Too Thoughtless Regarding Votes

FESTERING SORES BREAK OUT

No Moving Force That Arouses to Healthful And Vigorous Activity, he Declares

(By United Press.)

Indianapolis, Ind., Feb. 29.—Indiana politics is suffering from "dry rot," according to W. O. Lynch, professor of history at the Indiana State Normal School at Terre Haute.

Lynch came out with that statement today in an article printed by the Citizen, an organ devoted to propaganda for a new state constitution.

After referring to the "grosser side of political corruption" such as vote buying, grafting, lining up with vice interests, etc., Lynch declared:

"Now there is a species of decay more difficult to recognize which may best be described as dry rot—

"So it is with the great community of Indiana, the festering sores that break out and show on the surface are widely recognized and the warfare against them is incessant, while the disease that is silently sapping away the vital strength of the state has revealed itself to but a thoughtful few."

Lynch then adds that "somehow there has come to be no moving force among us arousing to vigorous and healthful political activity."

"The mass of Indiana's population," he says, "has lost the faculty of self government to the degree that government often is left in the hands of stupid and selfish leaders."

The article says that most of the churchmen will support a Billy Sunday revival and possibly will contribute to the anti-saloon league, but that they "usually display neither knowledge nor interest" when it comes to supporting a movement for a new constitution or for constructive legislation.

National Conference of Charities And Correction Expected to be Record Breaker

MANY SPEAKERS ON PROGRAM

(By United Press.)

Indianapolis, Ind., Feb. 29.—"The National Conference of Charities and Corrections which will meet here soon is the largest and most important conference of its kind in the world," said Evans Woolen, chairman of the executive committee, Indianapolis, today. "In quickening interest in the big gathering of social workers, the executive committee would like to see the same effort to get the subject before all classes of people in Indiana as is being done here in Indianapolis."

In Indianapolis, Woolen and Rev. Francis H. Gavis, will seize every opportunity to talk to the several thousand Indianapolis teachers. Judge James A. Collins, who introduced the probation system in the Indianapolis police court, will talk the conference to the Indianapolis Bar association. Dr. J. N. Hurty, secretary of the State Board of Health, will address the members of the Indianapolis Medical society, and Domarcus C. Brown, state librarian, will get the conference before the ministerial associations, and through the pastors, before the church congregations of the city.

Vote for "33" Ezekiel M. Jones (better known as "Zeke") a Republican Candidate for Sheriff, from Ripley Township, Rush County, at Primary March 7, 1916.

I have found it absolutely impossible to see all of the voters before the Primary to solicit their support for my candidacy for Republican nomination for Sheriff of Rush County, but I desire to say that I have always been a loyal, staunch and true blue Republican. I live in Ripley Township now and cast my first vote in Rush County for James G. Blaine. I nor any of my immediate family have never held nor asked for any public office nor have I been the nominee for any except that I was a candidate in 1912 for Sheriff of Rush County and withdrew on the fourth ballot in the county delegate convention, and went out and worked my best for the ticket, as I always have done.

FOR REFERENCE to my Republicanism or qualifications for this office I refer you to any business man or bank in Rush county. I CAN BE ELECTED IF NOMINATED. My number on ballot will be 33 on all ballots. I thank you in advance for your support, Yours Very Truly,

Dinner-dance, at the Social Club.

C. W. B. M., in parlors of the Christian church with ladies of March division entertaining.

Pythian Sisters, in the K. of P. Hall, in the evening.

### DINNER PARTY.

Mr. and Mrs. Link Guffin are entertaining the former and present employees of the store this evening with an elaborate six o'clock dinner and Rook party. About twelve guests in all are expected.

The Ladies Aid society of the St. Mary's Catholic church will be entertained on Thursday afternoon at the home of Mrs. Anthony H. Schriebe in West Third street. Mrs. Schriebe will be assisted by Mrs. Charles Moorman.

Due to illness in the family, the regular meeting of the C. W. B. M. will be held in the parlors of the Christian church tomorrow afternoon, instead of at the home of Mrs. Warder Wyatt, as the program reads.

### U. P. AID SOCIETY.

The spacious home of Mrs. Geo. Puntney and Mrs. Harry Kramer was the scene for a pleasant gathering this afternoon when they entertained the members of the Ladies Aid Society of the United Presbyterian church. A large per cent of the attendance was present and took part in the short business session which preceded a social hour, during which time the ladies sewed and were served with a tempting repast.

### LOTUS CLUB.

An interesting evening was enjoyed by the members of the Lotus Club when they were entertained Monday evening by Mr. and Mrs. Frank Wilson at their beautiful home in North Main street, which radiated with its usual hospitality. The evening was pleasantly spent over the card tables while light refreshments were served as the evening neared the close. Mrs. Carpenter, of St. Louis, was among the agreeable company of players.

### CARD CLUB.

With Miss Bertha Helm as hostess, the members of the Tuesday Afternoon Bridge Club spent another merry afternoon when they were entertained in the lovely Helm home in West Third street. Eight congenial players form the club and each of the semi-monthly meetings seem more pleasant than the last. Such was the case today as they spent a happy afternoon together. After a series of card games, an elaborate luncheon, as delicious as it was dainty was served at the card tables.

### ROOK PARTY.

"Rook" furnished another gay afternoon for a pleasant group of Milroy ladies when at the home of Mrs. Wiley McKee, Mrs. McKee, Mrs. William Bosley and Mrs. J. L. Carson entertained today. The twenty genial players chatted merrily as they enjoyed the fascinating rounds. Cards, however, were forgotten when the delicious refreshments were served.

Nine tables of players are entertained this evening when the same hostesses entertained again. With the proverbial hospitality of these ladies, a good time is insured.

### R. M. C. CLUB.

Pink and white was the dainty selection carried out this afternoon in the parlors of the R. M. C. Emmentary Club when the R. M. C. Emmentary Club was entertained at the home of Miss Vera Stone, who proved to be a most pleasing hostess. Crane paper of these colors was twined about the rooms and flowers too emphasized the airy design.

Contests amused the guests, which numbered twelve or more, while they were not busy with their crocheting. Conundrums were to be guessed from bare suggestions of them and to the most skilful contestant, a pretty award was given. In the predominating color scheme, the mints and ices were carried out.

### PRAYER MEETINGS.

The cottage prayer meetings of the St. Paul's M. E. church were well attended last evening, there being a total in attendance of forty-five. The meetings to be held this evening are as follows: at the home of John Jordan, 916 North Main street, with J. F. Gillespie as leader; at the home of Albert Aldridge at 215 North Perkins street, with Mrs. M. Whittitt as leader; at the home of Mrs. Laura Gordon, 413 North Morgan street, with A. T. Mahin as leader; at the home of Dr. F. G. Hackleman, with James Lock as leader.

### DINNER PARTY.

Mr. and Mrs. Alva Webb and daughter, Miss Hattie Emmons entertained an amiable company of their friends at dinner Sunday. The guests who were invited in to enjoy this sumptuous repast and partake of the hospitality of the host and hostesses were Mr. and Mrs. Paul Garner, of Richmond, Mr. and Mrs. Ernest Pattison and Lawrence Krammes of Milroy. Several others joined the party in the evening when they were pleasantly entertained. They included the Misses Grace Kiplinger, Georgia Rawlings, Gladys Warner and Virgil Maffett and Howard Warner.

### WOMEN'S RIGHTS.

"Women's Rights" was the subject of the program carried out at the regular meeting of the Coterie Club when the members were pleasantly entertained by Mrs. Jabez Wanship at her home in North Morgan street yesterday afternoon. Following an inspiring paper, read by the hostess on this subject, an original poem, also by the hostess, was read by Mrs. Raymond Hargrove. It was exceedingly clever and caused a great deal of amusement. Practically the entire membership was present to enjoy the program and the interesting and informal chat which followed during the serving of the dainty luncheon, which showed remarkable pains taken by the hostess.

### SURPRISE PARTY.

Sunday being the thirty-eighth birthday of Mrs. Arnold Orme of West Fifth street, a merry crowd of her friends surprised her last evening when they arrived to help her celebrate the occasion. With well-filled baskets, a supper was spread out which kept up the reputation for the feasts that this crowd has already been famed for. With a bright potted plant, which was the gift of the guests to the hostess, the center of the table was decorated. Progressive euchre, pedro, and music furnished by the guests enlivened the pleasant evening hours for the guests, who included Mr. and Mrs. Andrew Moore, Mr. and Mrs. Jacob Weber, Mr. and Mrs. Will Jones, Mr. and Mrs. Percy Wright, Mr. and Mrs. Noley Newhouse, Mrs. Rosecoe Brooks and Lon Newhouse.

### AMERICAN COMPOSERS.

Each of the numbers given at the Ladies Musicales yesterday at the home of Miss Helen Black was by an American composer, which was indeed an appropriate one for the month in which patriotism is so apparent. With Miss Marie Clawson as leader, the following program was carried out:

Piano duet—"The Last Hope," Mrs. Aldridge and Mrs. Bebout. Violin solo, "Elegy," by Miss Leona Thomas. Piano solo—"Awake"—Miss Helen Black. Quartette, "Tenting tonight," by Mrs. Frank Wolcott, Mrs. Frank Forry, Miss Leonora Norris and Mrs. Joe Clark. Paper—"Musical education in our Schools"—Mrs. Lon Kennedy. Piano solo—"Goodnight," Miss Charlotte Tribby. Vocal Solo—"Memory"—Miss Edith Bnell. Piano solo—"Drifting"—Mrs. Ed-

ward Kellam. Violin solo—"Cantilena"—Miss Leona Thomas. Piano solo—"Prelude"—Mrs. Veri Bebout.

All of the numbers were exceptionally good and showed excellent preparation. A short business session followed in which the usual business matters were discussed.

Mr. and Mrs. W. A. Mull of near Gowdy left yesterday for New Orleans where they will visit relatives and attend the Mardi Gras.

### SOCIAL.

Extensive plans are being completed by the Lurline Council for the social to be given in the Red Men Hall on Thursday evening of this week. A beautiful pillow is to be given away and refreshments are to be sold. A souvenir cake, in which favors will be found is also to be sold, and several other novel forms of entertainment have been planned by the hostesses.

### KNIGHTS TEMPLAR MEETING.

Ruhville Commandery, No. 49, K. T. will hold their regular stated conclave Wednesday evening, beginning at 7:30 followed by work in the Temple degree.

## DOCTOR SAVES A BLACKSMITH

Some time ago I was taken with kidney trouble which caused me to give up my work as blacksmith. I lost my appetite and could not sleep, from the dreadful pains that would come over me from my kidneys. I was treated by a physician for about three months. He could not help me so finally he pronounced Dr. Kilmor's Swamp-Root. I started taking same and before I had finished taking the first bottle I began to eat and sleep better than I had in a long time. I continued to take same until I was entirely cured and took on considerable weight.

I am now back working at my trade again and never felt better in my life. I appreciate what Swamp-Root has done for me and will recommend it to anyone who suffers with their kidneys. When physicians fail to give relief and then prescribe Swamp-Root, they sure know of its merits. I am,

Very truly yours,

## Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

True Secret of Keeping Youthful Looking

(The Beauty Seeker.)  
"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face."  
"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel, a mercurial origin. There is no habit-forming constituent in 'santanel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Santanel tablets, which may be procured from any drug store, a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

The Constipation Curse

Constipation—clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities, Santanel Laxatives bring quick relief. All vegetable—contain no calomel. Ten doses for a dime at any drug store. Physician's sample free, upon request, if you mention this advertisement. The Santanel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

Thin Girls, Cut This Out

Some unfortunate men and women are prone to wonder why some of their friends are blessed with an abundance of color—pink cheeks and red lips—while theirs are always colorless. The reason for this last named condition is—there is not enough red blood corpuscle in the blood—under a microscope the blood is thin and watery. The flesh is flabby, too. Well-known physicians assert that the regular administration for several months, of 5 grain toneline tablets will greatly improve the color, add to the weight, make the cheeks pink and the lips red and in general be very beneficial. For self administration obtain from any druggist. For sale by Hargrove and Mullin. (Advertisement)

PROMIS TO MEET HERE TOMORROW

Will Name County Ticket And Select Delegates to State Convention—Old Method Followed

"CLARIONS" TO BE PRESENT

County Chairman J. Levi Lord Expects All Parts of County to be Represented

Rush County Prohibitionists will gather in the assembly room of the Court House tomorrow for their annual county convention, which promises to be one of the liveliest gatherings in recent years. A special attraction will be "The Clarions," a noted team of singers and speakers who have been heard with delight in many parts of Indiana, as well as in several other states of the Union.

At the convention on Wednesday nominations for county and legislative offices will be made, delegates will be elected to the state Prohibition convention to be held in Indianapolis June 6 and 7, and the 1916 campaign will be formally launched. The Prohibition party is exempted from the requirements of the Primary law, and all its candidates this year will be nominated as heretofore in delegate convention.

The convention sessions will open at 10 a. m. and continue during the day, with an afternoon session beginning at 1:30. County Chairman J. Levi Lord of Mays will preside, and other prominent Prohibitionists, including William Booth of Rushville, T. J. Pierce of Carthage and J. A. Eaton of Arlington, will be present to take part in the deliberations. It is expected that all parts of the county will be represented.

The Clarions, who will furnish the entertaining features of the convention, consist of Prof. F. W. Lough, a talented singer, pianist and speaker of wide reputation and former chairman of the state Prohibition Committee, and John W. Huddleston, a jolly giant basso, who is six feet, four and a half inches in height, wears number 13 shoes and a number 20 collar, weighs 315 pounds and has a voice in proportion to his dimensions. The Clarions' program is said to be highly entertaining and instructive. They have been heard in some of the largest auditoriums in the United States, and have recently been enthusiastically received in Columbus, Franklin, Indianapolis, Frankfort, Florida and other places where they have appeared.

The convention will be open to the public, and all who are interested in the destruction of the liquor traffic and the maintenance of righteous government are invited to attend.

Wednesday evening The Clarions will be in Arlington, where they will present one of their popular programs at a public rally and mass meeting to be held at 7:30 in the school auditorium.

## ANOTHER CLAIM AGAINST ESTATE

James V. Wells, Orphan Reared by  
Mrs. Nancy Miller, Says \$600  
is Due Him for Labor.

### HER WILL DECLARED VOID

Another suit involving the estate of the late Nancy Miller is promised over the filing of a claim by James V. Wells against Leonidas Mull, administrator of the estate. The will of Mrs. Miller was recently declared void by a jury in the Shelby circuit court. In his claim Wells asked for \$600 for services alleged to have been performed at the request of the late Mrs. Miller.

The claimant alleges that when a child of seven years he was an inmate of the Children's Home in Cincinnati and in 1888 Stewart Miller, husband of Mrs. Miller, took him from the Home in Cincinnati to their home in Walker township. Wells claims that he worked for the Millers up until the time of Mr. Miller's death in 1902 and after this he worked for Mrs. Miller with the understanding that she would pay him. He claims the will made no provision for him and puts in his claim for labor at the rate of \$1 a day, deducting board and other things the Millers gave him.

## HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray! Nobody can tell  
when you darken gray, faded hair  
with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

## HARTFORD CITY MAN ESCAPES THE KNIFE

Charles Inman Able to Go to Work  
After Operation Was  
Avoided.

Charles Inman, 424 East Chestnut street, Hartford City, Ind., was desperately ill with stomach trouble. He was advised to go to Fort Wayne for an operation.

Then he took Mayr's Wonderful Remedy and in a short time was able to go back to work. In a letter he said:

"My disease started seven years ago. I had to give up and go to bed. Four doctors said they could not cure me unless I went to Fort Wayne to be operated on, and that it would cost \$150 or \$200. My daughter saw your advertisement and I took your treatment. In three weeks I went to work and haven't missed but one-half day since from sickness. It surely saved my life."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

their marriage, which took place in Indianapolis. The Rev. Mr. Tinsley was the officiating minister. Mrs. Green testified yesterday that as soon as they left the minister's home after the ceremony, her husband accused her of flirting with the Rev. Mr. Tinsley.

Under the terms of the compromise Mrs. Green will receive property valued at \$18,000. She alleges that she had a good farm when she married Dr. Green, but that he persuaded her to make trades until the land was finally owned jointly. Mrs. Green's main contention was that her husband was jealous and wrongfully accused her.
